

ADJUSTABLE FAN TIMER

with Light Control

Two timers in one – boost air quality, fight moisture

Multi Timer Fan Control

This timer is designed to give you all the options, all the control you need, to make sure your bathroom gets all the ventilation it should have. It's really two timers in one: A countdown timer and a fresh home / Minutes Per Hour (MPH) timer – and, best of all, the two timers work together. The MPH timer sees when you've used the countdown timer and knows not to run the fan for a while if you've already done it. If you want to manually shut the fan off when the MPH timer is running, you can do that too, just by pressing the fan on/off button.

Two Timers In One Control

The countdown timer can be set anywhere from 5 to 60 minutes, and it activates any time you manually turn the fan on. The MPH timer can be set to anywhere from 0 to 60 minutes, and it runs your fan for a set time every hour to expel stale air and help you maintain good indoor air quality.

Set How Long Your Fan Runs

Set Fan To Turn On Every Hour

EASY INSTALL... QUICK AS 1-2-3!

works with ANY new or existing exhaust fan

FS-875

Fan and Light Control

Color Options:
white, light almond

INTRODUCING ADJUSTABLE MULTI TIMER FAN CONTROL YOUR BATH FAN TIMER SOLUTION

Multi Timer Features & Benefits

COUNTDOWN TIMER (adjustable)

- ▶ You choose how long your fan will run
- ▶ Great for tenant and family use

MINUTES PER HOUR TIMER (adjustable)

- ▶ Set the timer to turn the fan ON every hour
- ▶ Expels stale air, improving air quality

MANUAL ON/OFF CONTROL

- ▶ Manual light control to operate bathroom lighting
- ▶ Manual fan control for immediate ventilation

LED INDICATOR LIGHT

- ▶ Lets you know the fan is ON

MEETS ASHRAE 62.2

- ▶ Allows any Energy Star fan to be compliant with 62.2
- ▶ Credits time back for manual use

CONCEALED ADJUSTMENT SETTINGS

- ▶ Tamper-proof settings cover

LED INDICATOR LIGHT

- ▶ Blue LED indicator light activates to let you know when the fan is running

LIGHT ON/OFF

- ▶ Manual Control

ADJUSTABLE SETTINGS

- ▶ Adjustable condensation sensor
- ▶ Adjustable timer
- ▶ Removable no-tamper cover

FAN ON/OFF

- ▶ Manual Control

INCLUDED WALL PLATE

- ▶ Control fits all decora/GFCI/rocker single and multi-position wall plates
